PRICE LIST, 1935

Ornamental Nursery Stock of all Kinds

We invite you to drive out to our Nursery at any time and see our stock. There is always something of interest to be seen each month, especially when the Peonies and Iris are in bloom. Take advantage of our Landscape Service in planning your grounds. We are glad to make suggestions, plans and estimates. We can also do your planting, pruning, spraying and lawn work, including grading, seeding and fertilizing

WIZARD Makes Plants Grow

Wizard is pure sheep manure absolutely weedless. A safe natural fertilizer that will not burn lawns or plants. Supplies the humus and natural food that all plants and lawns need to develop their real beauty. Use it to enrich your soil before and after planting.

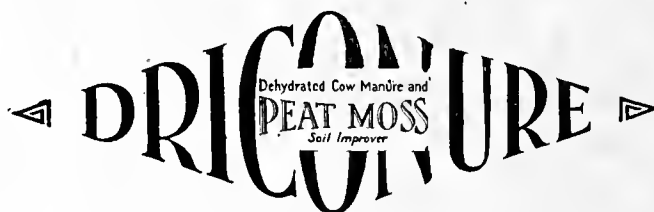

"DOGZOFF"

If you are bothered with dogs, cats or rabbits, "Dogzoff" is the spray you need. It is a most efficient animal repellant and one spraying will last from three to four weeks. Not poisonous to plants and will not injure animals. Not offensive to humans. Its use is guaranteed to keep these animals from any place where they are not wanted.

"Dogzoff" is applied with any small insect sprayer and one application usually does the work.

"Dogzoff" will save its cost many times over around the garden and home.
